

MOLINE'S SECTION OF THE ARGUS

Day's News Happenings in Rock Island's Sister City

TWO TEACHERSON STAFF ARE GONE

All Others in City Schools Will
Be Back in Their Places
Next Tuesday.

CONDITION IS REMARKABLE

Not a Change Either on Staff or in
Buildings or Grades Outside
of High School.

Only two new teachers out of the 143 employed in the city schools will be on duty at the opening of the term next Tuesday. These two will be in the high school. Every one of the 114 grade teachers who served last year will resume work. Furthermore, there will be not a single change in buildings or grades. This is almost equally remarkable.

Superintendent C. H. Maxson is much pleased with the outlook because it means the resumption of school sessions with a minimum loss of time and effort in breaking in new teachers. Probably not another city school system in the country is so fortunate.

The two new teachers will be C. E. Simmons of Monmouth, who will succeed F. O. Austin in commercial work in the high school, and Miss Minnie Wallace, who takes the place of Miss Fannie Enriklin in teaching English and algebra. Mr. Austin resigned to go into business and Miss Enriklin asked for a half year's leave of absence to take special work at Columbia university.

FRESHMAN CLASS LARGE.
The largest freshman class in its history is expected to enter the high school. The members will have a meeting with Principal Nutting of the high school at his office tomorrow afternoon at 2 o'clock. At the same hour the principals of the various schools will meet with Superintendent Maxson at his office. Monday morning the teachers will meet with their principals in each building. School will begin Tuesday, with the morning devoted to the assignment of work in the grammar schools. In the high school the entire day will be given up to the enrollment of pupils and organizing of classes.

BYLUND, WRESTLER, TO PLAY FOOTBALL

Bobby Bylund, the wrestler, will play football with the Olympics this season. Other new men who are counted on are Young, last year with the Illinois, Harold Stow, captain of the high

school team last year, and Sies and Kuehl of Davenport. Kuehl was captain of the Davenport Independents last year and Sies made a good record with the high school team. From the prospects, as sized up at a meeting of the Olympics last evening, the team should be stronger this year than ever before. Manager A. F. Adolphson is arranging a schedule. He expects to get games with the Rock Island Independents, Peoria, Spring Valley, LaSalle, Kewanee and the Illinois. The first game will probably be played Sept. 28. Two or three candidates for the position of coach are under consideration.

CHILD UNHURT IN A LONG FALL

Mary Toynton Tumbles From
Second Story Window When
Screen Gives Way.

Mary Toynton, aged 4 years, and living at Second street and Third avenue, fell from a second story window to the yard below yesterday afternoon and escaped anything more serious than fright. She was sitting in the window above an outside stairway when she suddenly leaned back against the screen. The fastenings gave way and child and screen disappeared from the view of the horrified mother, who was in the room. Rushing downstairs the latter expected to find her daughter dead or seriously hurt. Instead she found the child a trifle dazed but without a scratch. It seems that the screen remained under her and when she struck the top of the stairway it acted as a totem and carried her to the end of the stair roof. In the fall from there it broke the force of her fall.

THIRD VISIT OF THIEVES

East Moline Saloonkeeper Loses Cash
Left in Till.

Ed Anderson, proprietor of a saloon near Watertown in East Moline, reports to the police that his place of business was again broken into by burglars Wednesday night and \$10 taken from the till. This is the third time this summer that he has been mugged by thieves, his residence having been entered and \$200 taken some time ago. Besides taking the money that was in the till the burglars Wednesday night went through his stock and took some whisky. Two Watertown boys are now under arrest for the second robbery, which took place about three weeks ago.

All the news all the time — The Argus.

SALE OF MIDLAND ASSETS SEPT. 23

Trustee in Bankruptcy Will Dis-
pose of all Property of
Motor Company.

TOTAL VALUE IS \$107,376.46

Nearly Half of Tangible Assets Is in
Stock in Various Stages of
Manufacture.

Notices have been issued by E. D. McCulloch, trustee for the property of the bankrupt Midland Motor company, of the sale of the plant and all other tangible assets Sept. 23, at 10 a. m. The sale, which has been ordered by E. C. Henry, referee in bankruptcy for the northern division of the southern district of Illinois, will be held in East Moline and a report will be filed by the trustee at the office of the referee in Peoria Sept. 25 when creditors will have opportunity to present objections to confirmation if they so desire.

Assets of the company have been appraised at a total value of \$107,376.46 and are listed in the following items:

Land, buildings, plumbing and heating and railroad switch	\$40,000.00
Machinery, motors, special and shop tools	14,355.75
Office fixtures, typewriters, adding machines, etc.	1,222.00
Stock in main stock room	20,885.21
Stock in sheep shed	19,875.17
Stock in trim shop	3,388.57
Stock in assembly room	8,247.60
Stock in finishing assembly room	4,630.04
Stock in machine shop	964.12
Repair stock for 1912 (not listed)	1,500.00
Obsolete stock	500.00
Goods not in service, stock room	268.00
Nuts, bolts, screws and miscellaneous	350.00
Total	\$107,376.46

IN PARCELS AND BULK.

This property will be offered in parcels and in bulk and will be sold as it is on the day of sale. Purchasers must deposit 10 per cent of the amount of their bids with the trustee at the time of the sale and pay the balance on the confirmation of the deal.

With the repair stock will be offered the franchise and right to do business under the name of the Midland Motor company, together with the

good will and trade mark of the company, and all patents, drawings and patterns owned by the concern.

The real estate, which is clear of incumbrance, comprises 13 acres and the main building is a one-story brick, with several smaller frame structures.

BURGLARS AGAIN MOVE ON ULLMAN

Robbery of Saloon Follows Ex-
ploit in Which He Chased
One Out of House.

Joe Ullman, who a couple of weeks ago beat up a burglar and chased him out of his home, had to confess that the fraternity had slipped one over on him when he opened his saloon at 1331 Fifteenth street this morning. He found that a side window had been pried off and the place pretty thoroughly ransacked. All the cash, some \$5, was gone, together with several bottles of his best whisky and a number of boxes of cigars. There is not much hope of getting the guilty parties.

It will be recalled that Mr. Ullman recently was awakened by a burglar standing near his bed holding a flash light in his face. Ignoring a command to give up his cash, backed by what he supposed to be a revolver in the hand of the desperado, he got up and gave battle, giving his man a good trouncing and chasing him out of the window head first.

Mr. Ullman, while admitting today that he had gotten slightly the worst of it last night, found consolation in the reflection that the dark lantern gentry had found it expedient to give up the idea of taking things when he was round to protect them.

ONE PRINTER IS LEFT AT PLANT

C. L. Desaulniers Said to Be Un-
successful in Search for
Strike Breakers.

A member of the local Pressmen's union stated this morning that C. L. Desaulniers who went to Chicago Wednesday for the purpose of getting men to take the place of those who are on a strike, was unsuccessful and has gone to Minneapolis. But one man has remained with the firm during the trouble and he is operating a small Gordon press.

He is being guarded so that the union men are not permitted to get near him, and if more men are brought here from out of town, sleeping quarters will be provided in the Desaulniers plant as a protection from the pickets, and will be allowed to leave the place only for their meals.

READY FOR E. MOLINE BASEBALL TOURNEY

Tomorrow the baseball tournament in East Moline begins, the home club playing the Brunswick of Davenport and Silvio meeting Watertown. The first contest will start at 1:30 in the afternoon and the second at 3 o'clock. There will be two games each day, the tournament ending Monday. Charles Wainwright of Chicago will umpire all contests. Judging by their records during the season the four teams contesting are pretty well matched.

PICNIC HELD IN DAVENPORT

Second Congregational Sunday School
Has Yearly Outing.

Children of the Second Congregational Sunday school to the number of 150 held their annual picnic yesterday at Vander Veer park, Davenport. They went across the river on a special car, which left here at 10:30. There was a basket dinner and supper, the entire afternoon being spent at the park. Races were run, the following being winners:

Married ladies' race—Mrs. Kappler.
Young ladies' race—Miss Florence Stewart.

Girls' race—Della Peterson, first; Drussilla Stewart, second; Marian Lehnberg, third.

Boys' race—Harold Scott, first; Edward Wilke, second; Lyle Kappler, third.

Men's race—The between Will Stang and O. E. McLaughlin.

REMOVED CLOTHING TO TAKE A DAYLIGHT NAP

Jim Coffee, becoming sleepy, decided to take a nap in the yard in the rear of 417 Fourteenth street yesterday afternoon. Before doing so, however, he thought it necessary to disrobe and he had made considerable progress in the operation when a policeman, hastily summoned by the neighbors, arrived and took him in tow. Today he paid \$2.50 on the charge of disorderly conduct preferred before Police Magistrate Gustafson.

COMBINED COURSE LEADS

Sixty per cent of the students so far enrolled at Brown's Business college for the fall term have registered for the combined course. Office open this evening from 7:00 to 9:00 for enrollments. 1423 Second avenue.—(Adv.)

Two Big Labor Day Excursions.
Afternoon to Grotto. Evening Moonlight. Barge Mississippi.—(Adv.)

THREE HURLED TO GROUND IN CRASH

Speeding Auto Strikes and De-
molishes Rig Driven by
East Moline Man.

CLOSE CALL FOR OCCUPANTS

H. H. Little of Geneseo Arrested and
Held on Suspicion of Being
Driver of Car.

Struck from the rear by a speeding automobile a buggy driven by Frank Pulcher of East Moline was completely demolished last evening. Riding with Pulcher were his sister-in-law, Nellie Vick, aged 16, and his 17-months-old baby. All three were thrown out, the driver being dragged two blocks by the horse and the girl and child landing on the soft ground beside the pavement. None was seriously injured. The accident occurred in front of the McKinley school at Fourth avenue and Fortieth street at 9 o'clock.

After the police were notified they instituted a search for the driver of the auto, who got away from the scene as quickly as possible. H. H. Little, a tailor from Geneseo, was arrested at Fifth avenue and Twenty-second street and is held on suspicion. His case has been continued till Wednesday and he is under \$200 bond to appear for a hearing.

PULCHER TELLS STORY.

Pulcher told the police today that he was driving west when struck by the auto. He had passed so many machines that he was keeping as close to the north curb as possible to avoid a collision. He said he had no warning before his rig was struck, the first intimation he had coming when he found himself flying over the dashboard. His hands became entangled in the reins and he was dragged for some distance before the horse collided with a tree and stopped. The shafts were broken off.

On going back he found the girl and child both slightly injured, the former requiring the attention of a physician. He and his baby escaped more fortunately. The buggy was completely wrecked.

LITTLE'S MACHINE DAMAGED.

Little, when arrested, was lying on the ground in an intoxicated condition, according to the police. A boy was endeavoring to replace a damaged tire on one of the front wheels of his machine. The lamps were broken and the mud guards bent. Little protested his innocence and finally became abusive, so he was locked up. He claims that the injury to his machine resulted from running into the sand where the brick had been taken up for the repaving of Third avenue and says he can prove an alibi.

Police Chief Bisant says that the accident may have been due partly to poor lighting on Fourth avenue, several similar mishaps having taken place there in the past.

ROLLS DOWN TERRACE AND DISLOCATES ARM

Clement Watt, aged 8 years and living at 1815 Fifth avenue, suffered a dislocation of one arm in rolling down a terrace yesterday afternoon. With other children he was playing in the yard at the George Rank place, Ninth avenue and Seventeenth street. Getting too near the edge of the steep terrace he lost his balance and fell, rolling to the bottom. One arm was twisted under his body and the shoulder joint was dislocated.

HOSPITAL INMATE GONE

Police of Nearby Cities Asked to Look
for Charles A. Johnson.

Charles A. Johnson, an inmate of the Watertown hospital, is at large and the police of the cities and villages in this vicinity have been asked to be on the lookout for him. He has been gone since Aug. 8 and a reward of \$25 is offered for his arrest. It was at first supposed that he had gone to the home of a relative, but inquiries have failed to locate him. He is 69 years of age and has white hair and a short mustache.

INJURED BY HORSE'S KICK

Arthur Kuetter, Visitor Here, in a
Runaway Accident.

Arthur Kuetter, who recently came to the city to visit his sister, Mrs. John Haffner, 2103 Fifth avenue, is laid up with a severe cut in his leg sustained in a runaway accident yesterday. He was driving a delivery wagon for the Freeman grocery when at Twenty-seventh street and Ninth avenue the horse became frightened, ran away and upset the wagon and then began kicking. Mr. Kuetter was struck by the animal's shoe and a deep cut inflicted. He was given surgical attention.

St. Paul—Hog cholera is epidemic throughout Minnesota. The state may lose \$4,000,000 worth of animals unless assistance can be provided, says a letter received at the governor's office from Dean A. E. Woods of the agriculture department of the University of Minnesota. He suggested an emergency appropriation by the special session of the legislature to increase the supply of serum.

The School Shoe question is a very important matter! If every Parent would come here and examine our School Shoes, learn the good points in them, see how well they are made and how well they look, we believe that we would sell about every pair of School Shoes sold in Rock Island this season. Cheap School Shoes are a very poor investment and there is no use in getting that kind, and you won't if you come here for Shoes.

Boys' School Shoes

Gun metal and Box Calf leather or the new Tans, in Button Lace and Blucher styles. Good Oak soles. Shoes formed to the Natural Shape of the foot.

\$1.00, \$1.50, \$2.00, to \$3.50

Girls' School Shoes

Lace or Button, Gun Metal, Box Calf, Vici, and Tan leathers, Medium or Spring Heels. Shoes shaped to fit the feet properly.

\$1.00, \$1.50, \$2.00 to \$4.00

There are no School Shoe risks here. Every shoe is as represented. If a pair fail we'll stand the loss.

CONTINUE WORK ON THE CANVASS

Greater Moline Committee Ex-
pects to Raise Half Mil-
lion Dollars.

The Greater Moline Committee at its luncheon today noon heard reports on the sale of stock for the Moline Home and Loan association. A week ago it was decided to continue the canvass for two weeks more and raise the mark to a half million dollars. During the last week, \$94,500 was subscribed, making a total of \$440,200 to date. The balance of \$59,800 will be raised within the next two weeks. Several of the best workers are out of the city and after their return the committee is confident that the \$500,000 will be reached without difficulty. At the meeting today it was also decided to start a campaign to bring the membership of the committee up to 200.

The Colona bridge matter was again revived, and all present voted to cooperate with the East Moline Commercial club in an attempt to have the board of supervisors put up this county's appropriation. Members offered the use of their automobiles to make an inspection of the two sites, Colons and Cleveland and decide which of the two should be used when the bridge should be constructed. This was considered inopportune, however, in view of the fact that Colona has been decided upon some time ago.

Increase Capital Stock.
Stockholders of the Mutual Wheel

company held a meeting this morning and decided to increase the capital stock of the company from \$300,000 to \$400,000.

TO PLAT 45-ACRE TRACT

Strip Along River in East Moline Will
Be Put on Market.
Arrangements have been made to plat the Palmer 45-acre tract along the river in East Moline and place it on the market. It lies north and west of the factory section and most of it is well drained and affords a good view of the river.

Foresters to Frisco.
Atlantic City, N. J., Aug. 29.—Foresters of America in national convention here decided to hold the next meeting at San Francisco in 1915.

WOODS IS CHOSEN COMMITTEE HEAD

Republicans Organizing for
Work in Connection With
Congressional Camp.

Washington, D. C., Aug. 29.—The republican congressional committee today elected Representative Woods of Iowa chairman. The secretary and treasurer will be named later. Woods will announce soon an executive committee of the congressional committee, which will conduct the coming congressional campaigns.

Notice. Notice.
West End settlement kindergarten will open Tuesday morning.—(Adv.)

A WOMAN'S PROBLEM

In the looking-glass a woman often sees wrinkles, hollow circles under eyes, "crow's feet," all because she did not turn to the right remedy when worn down with those troubles which are distinctly feminine. Backache, headache, pains, lassitude, nervousness and drains upon vitality—bring untold suffering to womanhood and the face shows it. The nervous system and the entire womanly make-up feels the tonic effect of

DR. PIERCE'S FAVORITE PRESCRIPTION.

It allays and subdues nervous excitability, irritability, nervous exhaustion, and other distressing symptoms commonly attendant upon functional and organic diseases of the feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency. Known everywhere and for over 40 years as the standard remedy for the diseases of women. Your dealer in medicines sells it in liquid or sugar-coated tablet form; or you can send 50 one-cent stamps for a trial box of Dr. Pierce's Favorite Prescription tablets. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.
